

National Vietnam & Gulf War Veterans Coalition

2016 Endorsement for President of the United States of America

The NV&GWVC takes pride in it's ability to evaluate and endorse candidates running for federal office, including the House of Representatives, the Senate, and the President of the United States. We also evaluate and endorse candidates running for the position of Governor in each respective state.

This year our evaluation and endorsement focused on the race for the White House, and after careful consideration, the Coalition has voted unanimously for the candidate whom we feel would best support veterans, veteran's causes, and national security.

***THEREFORE**, the National Vietnam and Gulf War Veterans Coalition has voted unanimously to endorse Donald J. Trump for President of the United States as we feel he is the likely candidate to respect and consider our nation's veterans and our issues. An endorsement letter was hand-delivered by NV&GWVC Chairman John Molloy and Board Member, Gino Badalato, at Trump Tower, headquarters for Donald Trump, in New York City.*
